

VICTORIAN LIVESTOCK & PROPERTY COOLONGOLOOK HERD DISPERSAL

———— AuctionsPlus Eastern States Cattle Sale – 17th April 2026 ————

On offer through AuctionsPlus Eastern States Sale on 17th April 2026, are 150 PTIC Red Angus Composite Breeders located in Limestone, Victoria. Joined for a tight six-week Spring calving to Hicks Red Angus/Red Composite Bulls & Karn Station Red Composite Bulls. Joining dates as follows, Heifers: 11/10/25 - 23/11/25, all Cows: 20/10/25 - 1/12/25. These are classed in breeders that are exceptionally quiet.

Judy Brookes and Duncan Hall began breeding their Red Angus Composite herd after acquiring the Brookes family property in 2009. The original heifers came from Chan Abbey, and the herd expanded using Paringa, Hicks, and Milwillah bloodlines. Coolongolook is simplifying its operation from a self-replacing breeding herd to backgrounding and trading.

Age Groups on offer:

- 28 V Heifers (1st Calvers)**
- 44 U Cows (2nd Calvers)**

- 25 T Cows (3rd Calvers)**
- 25 S Cows (4th Calvers)**
- 28 Mixed Aged PQR Cows**

In the most recent two Red Angus Society On-farm Challenges (combining studs and commercial operations), Coolongolook won first prize for the categories of five first calvers/calves; five heifers; and five steers (the latter group winning the 2021 Supreme Champion). In 2023, Coolongolook's group of five heifers were judged Supreme Champion; in the single-cow entry (the largest class) N1 won equal fourth.
