Meldon Park HISTORY

Established in 1984 and located at Cecil Plains on the Darling Downs, Queensland, owned and operated by Rodney, Elisabeth, Rebecca and William Skene.

We strive to breed Simmental bulls for both commercial and stud operations in the widely varied climatic conditions of Queensland. Meldon Park has a strong emphasis on producing fertile, structurally sound bulls which can add growth, softness and the ability to fatten at all ages and situations.

We believe that this is achievable with the evenness and maternal quality, from within the herd of 400 registered and recorded females of which a majority carrying the poll genetics.

Our show success has helped showcase our herd including Rockhampton Beef Grand Champions in 2015, 2018, 2021 and 2024. Interbreed Champion Beef 2018, Top 5 in 2015, 2024.

As well as 6 Ekka and 1 Sydney Grand Champion bulls and numerous female champions.

Our Beef 24 Champion Meldon Park Stamp Duty is busy at home on stud duties. The first drop of weaners has exceeded all our expectations.

LOT 17 - Meldon Park U233 (P) - 2025 SALE TOP PRICED BULL, $30,000

WELCOME

Welcome the 12th Annual Meldon Park Simmental Bull Sale being held at Rolleston, Queensland.

On behalf of the Skene family from Meldon Park Simmentals, we sincerely appreciate you taking the time to view the catalogue whether you are just inspecting the bulls or planning to purchase new genetics for your operation.

This year we are proud to present 68 Simmental bulls for sale, offering buyers an outstanding opportunity to secure quality genetics from the Meldon Park program. We are particularly pleased that Meldon Park Simmentals are the only vendor in the sale, allowing us to present a strong and consistent line-up of bulls bred under the same management and selection program.

We would also like to acknowledge and thank our selling agents, GDL and Kennedy Livestock, for their continued support and professionalism in conducting the sale.

A very special thank you also goes to TJQ Grassroots, who have once again generously sponsored the Meldon Park sale. As part of their support, the purchaser of the bulk buyer order will receive $1500 worth of pasture seed. We greatly appreciate their ongoing involvement and support of the cattle industry and of Meldon Park Simmentals.

Regards,
Rod and Lis Skene and family

SALE INFORMATION

INSPECTION:
All sale bulls can be inspected from Sunday 20th September 2026, with prior arrangement (contact Lis 0428 717 847) at the Rolleston Selling Complex and on sale day from 8.00am. Videos will be available on the Stocklive website www.stocklive.com.au prior to the sale and also on our Meldon Park Simmentals website www.meldonparksimmentals.com.au.

Rolleston has a bitumen airstrip available adjacent to the sale complex.

AGENTS REBATE:
A rebate of 5% is payable to all agents who introduce their clients in writing prior to sale day and attend with or on behalf of their clients, and settle within 7 days.

INSURANCE:
We recommend insuring your new bull, Insurance is the responsibility of the purchaser from the fall of the hammer, and must be indicated on the buyer's instruction slip. The selling agents will have an insurance representative present on sale day.

GST:
The hammer price is exclusive of GST but GST will be applied to the final hammer price included on the invoice.

BUYERS INSTRUCTION INFORMATION:
Buyers, please ensure that the Buyer Instruction Information Sheet on the last page of this catalogue is completed in full to avoid any errors with your delivery instructions.

PHONE BIDDING AND ONLINE BIDDING AVAILABLE:
Stocklive - Ph 1300 259 742 or www.stocklive.com.au

The selling complex is located in a reliable NextG mobile coverage area. Contact your preferred selling agent if you wish to place a phone bid.

TICK CLEARANCE:
All bulls will be able to be cleared on site at the end of sale by a certified clearance officer.

DELIVERY:
Delivery can be arranged at the completion of the sale. Free cartage is offered to major centres within Queensland.

SUPPLEMENTARY SHEET:
Supplementary sheet will be available on sale day and also online when available at www.meldonparksimmentals.com.au, fat and muscle scans, semen motility, scrotal circumference, weight and Breedplan figures.

REGISTRATIONS:
All registered bulls are transferable through the Australian Simmental Breeders' Association, unless specified as a herd bull. Please indicate on the Buyers instruction slip, if an animal is required to be ASBA transferred.

CATERING:
Refreshments and lunch will be provided.

DISCLAIMER:
Every care has been taken in the compilation of this catalogue to ensure the accuracy of information supplied. However, no responsibility will be accepted for any errors which may have occurred. The vendors, sale staff, agents and representatives accept no liability for accidents that may occur, although these are rare at cattle sales. All persons attending do so at their own risk.

ANIMAL HEALTH INFORMATION

BULL BREEDING SOUNDNESS EXAMINATION:
All bulls offered have undergone reproductive physical examination and a semen test prior to sale by VBBSE accredited vet.

Semen and morphology tested.

All registered bulls are DNA sire verified.

Meldon Park Simmentals are JBas 7.

All Bulls have received Dectomax injectable, 7 in 1, Botulium, 3 Germ Blood, 3 DaySickness and Vibriovax vaccines. All bulls tested Pesti negative.

SOLAR PUMPING SOLUTIONS

WE ARE TRUE **SOLAR PUMPING** SPECIALISTS

SALES, INSTALLATION & SERVICE

With power becoming more expensive yearly throughout rural and remote areas, reducing overall running costs on the farm is a must! Dowdens provide affordable and efficient solar pumping solutions to help combat ever-increasing electricity prices. From stock watering systems to large-scale broad-acre irrigation, our dedicated sales, installation and service crews have you covered.

DESIGNED TO SUIT YOUR REQUIREMENTS

Dowden's solar solutions are expertly designed to suit any site's specifications, utilising various solar pumps, panels and control units. Dowdens Pumping & Water Treatment have a vast range of products and the experience to facilitate your next solar pumping project.

POWER SAVINGS

The solar pumping systems we offer deliver substantial power and considerable time savings by eliminating the need to turn on or refuel your pumps manually. The designs have in-built technology allowing them to be operated/monitored remotely and run with a generator if water is required at night.

BENEFITS OF SOLAR

- Increased water use efficiency
- Efficient energy use
- Reduced labour time
- Affordable capital outlay
- Zero fuel and power costs
- Environmental sustainability

HOW WE CAN HELP

We supply the best solar pumping systems to suit your application including:

- Domestic water supply
- Livestock watering
- Crop and garden irrigation
- Pontoon based solar pumps
- Bore, well and above-ground options

WATER TREATMENT?

Need your water treated? Dowdens have you covered with solutions for all domestic water treatment requirements.

- UV treatment
- Reverse osmosis systems
- Iron & manganese removal
- Deionisers/demineralisers
- Drinking water systems
- Filters and housings
- Water testing services

YOUR PATH.
LKN4WRD®
- Est 2012 -
YOUR CHOICE

LIFE DOESN'T ALWAYS GO TO PLAN.
BUT IT ALWAYS GIVES YOU A CHOICE.

After a life-changing accident left founder Ben a C5-C7 quadriplegic, he made the decision to focus not on what he'd lost, but on what was still possible.
That decision became LKN4WRD.

A lifestyle brand built around resilience, gratitude and the belief that no matter what life throws at you, there's always something to look forward to.

STUD STOCK - AUCTION TERMS AND CONDITIONS OF SALE

IMPORTANT NOTICE: All bids shall be treated as offers made upon the following Terms and Conditions of Sale and all persons present are admitted to attend the sale on the basis that they have notice of these Terms and Conditions.

1. The highest bidder shall, subject to Condition 2, be the Purchaser provided that the Vendor reserves the right to bid either by himself or through his Agent or Auctioneer and should any dispute arise among the bidders for any lot, during or immediately after the sale of the lot, it shall be settled at the Auctioneers absolute discretion who may, should one of the disputants advance, put the lot or lots up again. The bidding from time to time shall be regulated by the Auctioneer and no bid shall be retracted.
2. The sale will be conducted on a "Sale" or "No Sale" basis whereby the lot for sale shall be knocked down to the highest bidder, but the sale will be subject to the acceptance of the highest bid by the Vendor who will immediately after the fall of the hammer declare "Sale" or "No Sale". Should the Vendor reject the bid of the highest bidder such bidder will have the right of first refusal of the lot at the Vendor's nominated price for one hour after the lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they shall apply.
3. The details of the Purchaser, the purchase price and the lot sold as recorded by the sale clerk for and on behalf of the Auctioneer shall be equally binding on both Purchaser and Vendor.
4. The Auctioneer expressly reserves the right, without giving any reasons therefore, to:
   (a) Refuse to acknowledge any bid;
   (b) Withdraw any lot or lots before or during the sale;
   (c) Exclude any person from the auction venue should it think fit.
5. Each lot in all cases shall be at the risk and expense of the Purchaser upon acceptance of his bid by the Vendor or upon acceptance of the highest bidder's offer by the Vendor whichever shall be the earlier.
6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these Conditions as to pedigree, sex, age, breeding condition or otherwise howsoever, and no guarantee, warranty or condition whatsoever shall be implied from any affirmation made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the Vendor or by the Auctioneer acting as agent for the Vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee, warranty or condition whatsoever was given or implied.
7. In the event of any dispute in respect to the sale of any lot:
   (i) The Purchaser shall nevertheless be obliged to pay to the Auctioneer the full purchase price and any other monies or interest payable by the Purchaser in accordance with these terms and conditions;
   (ii) The Vendor and the Purchaser shall resolve the dispute between themselves;
   (iii) The Auctioneer shall have no liability or responsibility in regard to the dispute; and
   (iv) No lot shall be returned to the Auctioneer and the Purchaser shall indemnify the Auctioneer for all costs, expenses and damages which the Auctioneer is put to or incurs by reason of the Purchaser so doing.
8. The name of the Vendor for whom the Auctioneer acts is acknowledged to have been furnished to Purchasers prior to the sale and further particulars will in all cases be furnished to a Purchaser if required. In the case of any disputes the remedy of the Purchaser shall be against the Vendor only and in no case or under any circumstances against the Auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.
9. (a) PAYMENT – Unless prior credit arrangements have been made in writing with the Auctioneer the full purchase price for each lot shall be due and payable to the Auctioneer in cash upon acceptance of the highest bid or the highest bidder's offer by the Vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the purchaser or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the Purchaser until the full purchase price and all cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated, and until property shall pass, the Purchaser shall hold such lot as bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the date of the sale the Auctioneer reserves the right to:–
      (i) Rescind the contract on behalf of the Vendor and repossess and resell any lot;
      (ii) Recover from the Purchaser interest upon the purchase price at a rate per annum which aggregates the AMBA Bill Rate plus two percentum. For the purposes of this condition, the expression "the AMBA Bill Rate" is the rate published by the Australian Merchant Bankers Association in good faith as at the date of the sale as its bill rate for 180 day bills of exchange expressed as a percentage per annum. If at any time the AMBA Bill Rate becomes unavailable for any reason, the Auctioneer shall determine and advise the Purchaser of the interest rate to apply for the purposes of this condition.
   (b) The Auctioneer is selling as the del credere agent of the Vendor and the full purchase price of any lot sold shall be payable by the Purchaser to the Auctioneer and be fully recoverable by the Auctioneer in its own name.
10. If the Purchaser shall neglect or fail to comply with any of the within conditions, any lot purchased by him may be immediately resold by public auction or private contract, with or without notice, at the risk of the former Purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing there from.
11. Any Vendor or Purchaser removing the sale number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damage should the lot be wrongly delivered.
12. The Purchasers, if any more than one, shall be jointly and severally bound by these Terms and Conditions, and shall jointly and severally carry out and perform same.
13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the Vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the Vendor or Auctioneer, provided however, that this Condition shall not in any way negate the Vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.
14. The Auctioneer may, should it think fit, make arrangements on a Purchaser's behalf for the feeding, watering, trucking, shipping of and general attendance to any lot after sale but no responsibility will be accepted by the Auctioneer and all such service will be at the Purchaser's risk and expense.
15. No lot will be delivered until the sales invoice has been checked and signed by the Purchaser or his duly authorised representative.
16. (a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trade Practices Act or any applicable State legislation which cannot be contractually excluded and excepting conditions and warranties expressly contained in these Terms and Conditions of Sale, any express or implied condition, statement of warranty, statutory or otherwise, is hereby excluded. The Auctioneer is not liable in respect of any error, misdescription or omission in any particulars appearing or stated regarding the description of pedigrees of any lot offered for sale and no such error, misdescription of omission shall entitle the Purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.

(b) Each lot will be sold subject to passing all veterinary tests required by the law of the state or country to which the Purchaser intends to transport that particular lot, such tests to be undertaken at the Purchaser's expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the Purchaser shall be refunded and property in the lot shall revert to or remain with the Vendor.

17. Guarantees of Fertility:—

(1) BULLS - Save and except for calves at foot, all bulls are guaranteed breeders and to so prove by the later of:
(a) six months after the date of sale or
(b) the animal reaching the age of 24 months

(2) FEMALES - Save and except for female calves at foot, all females are guaranteed to be in calf or go into calf by the later of:
(a) 6 months of the date of sale
(b) the animal reaching the age of 30 months
A positive pregnancy test certified by a qualified veterinary surgeon shall be sufficient evidence that the animal is in calf.

(3) Claims under Clauses 17(1) and 17(2). A claim that an animal has failed to satisfy a guarantee of fertility under Clause 17(1) or 17(2) must be made to the Vendor within the relevant guarantee period but prior to the animal entering a quarantine area other than on the Vendor's property.
(a) All claims must be accompanied by a certificate from a registered veterinarian surgeon in accordance with the guidelines established by the Australian Association of Cattle Veterinarians which must clearly identify the basis of the claim.
(b) Subject to Clause 17(9), infertility resulting from injury or disease occurring after the sale of the animal is not covered by this guarantee.
(c) The Vendor retains the right to have the animal placed on a property nominated by him or returned to his own property for further assessment of fertility for a period not exceeding six months. If the animal proves fertile within the period such status must be confirmed by a certificate issued by a registered veterinary surgeon in accordance with the guideline established by the Australian Association of Cattle Veterinarians and costs incurred must be borne by the Purchaser. If the animal is not proven fertile within the period, the costs incurred must be borne by the Vendor.

(4) LIABILITY OF A VENDOR - Except for costs defined elsewhere in the conditions of sale, the liability of a Vendor in respect of claims relating to fertility shall not exceed the purchase price of the animal(s) or provide mutually agreed upon replacement animal(s).

(5) In the event of a claim being substantiated:
(a) The purchase price shall be refunded within 14 days unless a mutually agreed upon replacement animal has been provided.
(b) The animal/s which are the subject of the claim and any stocks of stored semen shall automatically become the property of the Vendor and be returned to him or disposed of according to his instruction at his expense.

(6) Subject to Clause 17(9), this guarantee is of no effect if:
(a) The animal is returned to the Vendor.
(i) In poor physical condition or with any injury;
(ii) Tests carried out on behalf of the Vendor within fourteen days of such return proved positive to any diseases which may affect the animal's fertility or ability to breed naturally; or
(b) The Purchaser has collected and stored embryos from a female.

(7) In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the Vendor and the Purchaser. The Auctioneer, while he will use his best endeavours to assist, shall have no liability or responsibility in that regard. If an animal is alleged or proved not to be a breeder, the Purchaser must nevertheless pay the Auctioneer the full purchase price and any other monies or interest payable by the Purchaser in accordance with these Terms and Conditions.

(8) EVIDENCE OF FERTILITY – A Certificate issued by a registered veterinary surgeon at or before the time of sale than an animal is fertile (unless it is a certificate stating in respect of a female that she is in calf at the time of sale) does not, of itself, satisfy or discharge the Vendor's obligations under the guarantee of fertility given under this Clause 17. All animals, except calves at foot, must prove their fertility within the relevant guarantee period.

(9) RELIEF FROM GUARANTEE – If the Vendor seeks to be relieved from the obligations which would otherwise be imposed upon him by this clause by virtue of Clauses 17(3)(b) or 17(6)(a), the onus of proof is upon the Vendor to establish that:
(a) The animal suffered the injury or disease or is in poor physical condition due to circumstances and events occurring after the sale, and
(b) The injury, disease of physical condition is the sole cause of the animal's infertility or failure to prove fertility within the guarantee period.

(10) DEFINITION – For the purpose of this Clause 17, the expression "guarantee period" means:
(a) in relation to bulls – the period specified in Clause 17(1) as being the period in which the bull must prove his fertility; and
(b) in relation to females – the period specified in Clause 17(2) as being the period in which the female must go into calf.

18. (a) Each lot shall be at the risk of the Vendor in respect of any damage or injury, whether by disease, accident or otherwise, or whether caused by the negligence of the Auctioneer for the period that the lot be in the custody of the Auctioneer, unless such lots shall have been sold in which latter case such lot shall be at the risk of the Purchaser in all such respects.

(b) If any Vendor brings to the sale premises any lot which is dangerous, or infected with any disease, that Vendor shall be liable for all injury, damages, costs, losses or expenses which the Auctioneer may sustain, incur or be put to either directly or indirectly as a result of the Vendor so doing. The Auctioneer reserves the right, at its absolute discretion, to exclude from the sale, or put out of the sale venue or dispose of, any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or of any serious fault or of being dangerous.

19. DELIVERY — Except at the discretion of the Auctioneer no lot shall be delivered to the Purchaser unless payment of the purchase money together with any additional charges incurred including those expenses incurred by the Auctioneer pursuant to Condition 14 hereof, is first made by the Purchaser to the Auctioneer. Release of lots may be withheld by the Auctioneer until personal cheques are cleared.

20. In these Conditions:—

(a) References to "Auctioneer" shall be taken to mean as the context so admits, the Selling Agent or any member, subsidiary or related corporation or body, officer, agent or employee thereof, authorised by the Vendor to conduct the sale of the lot;
(b "Purchaser" shall have the meaning ascribed to it in Condition 1;
(c) "Vendor" shall mean the person or corporation upon whose account lots are offered for sale and where a stud or farm is named shall mean the proprietor of that stud or farm;
(d) "Lot" shall be taken to mean the animal offered for sale and/or sold by the Auctioneer on behalf of a Vendor.

IMPORTANT NOTICE

The Selling Agent, its members, subsidiary or related corporations, officers, agents, and employees for themselves and for those for whom they act while exercising due care provide all information without responsibility and give no guarantee whatsoever as to its accuracy.

All persons who attend the Sale do so entirely at their risk and the Selling Agent, its members, subsidiary or related corporations, officers, agents, employees and its principals, for themselves and for those for whom they act, do not assume or accept any responsibility or liability of whatever nature for any injury or damage whatsoever which may occur.

NOTES

MELDON PARK GALLERY

Meldon Park Simmentals would like to congratulate Bec Skene, Tammie Robinson and Aimee Bolton, who made historic appearances as the all-female judging panel for the Interbreed Champion of Champions cattle event featured at the 2026 Ekka (Royal Queensland Show). Photo credit: Tammie Robinson.

Thank You

To the buyers and underbidders for attending the 12th Annual Meldon Park Simmental Bull Sale and to the Rolleston Livestock and Grain Selling Complex for opening up for our Sale.

Catherine Clark Dowden

Portrait, Animal & Equine Artist

Capturing the spirit & energy of animals...

There is a magic to animals that consumes me as an artist, the sheer drama of their movement. I turn to many different mediums to bring my work to life, from pencil drawings, mixed media, oils, right through to large scale painted murals.

I find art so very rewarding - the possibilities are endless with art!
